

Dear nathalie,

Here's what's happening with me!

The english Alpha-Power program and web site (www.alpha-power.org) is ready...finally.

Please forgive the briefness of this message but I am (as usual) running after time. I will be at the Montreal Maternity Fair at Place Bonaventure on the 30th, 31st of march and 1st and 2nd of april. I will be giving a conference on the Hypno-Beginning program for childbirth on the 30th at 4 p.m. and on the 31st at 4:30 p.m. Any other time, we will be glad to meet you at booth number 605. Next, I will be presenting at the American Council of Hypnotists Examiners in California from the 27th to the 29th of april...about the hypno-beginning program! Then, I will be a guest speaker at the NGH convention In Marlboro, Massachusett from August 11th to the 13th on...."How to really get medical referrals" (gotcha , you thought it was the Hypno-Beginning program!) It is the biggest hypnosis convention held in the U.S. and I highly encourage anybody interested in hypnosis to attend.

Dr Nathalie Fiset
a perfect harmony
